

## Swedish Chamber of Commerce in China

### Honorary Award 2017

Proudly delivered to

### **Mr. Mats Harborn**

Motivation;

Mats Harborn has for the past 25 years in China developed into one of the most prominent Swedes working in China and one of the major promoters of Swedish Enterprises in China. In China, Mats Harborn has worked for Handelsbanken and the Swedish Trade Council, but as a leader, he has become well known for his role and importance for Scania's establishment and development in China. Through his great commitment as former Chairman of the Swedish Chamber of Commerce in China and as vice president of the European Chamber of Commerce in China, Mats Harborn has created increased opportunities for Swedish Enterprises to develop and succeed in China. Mats Harborn is, through his sincere interest in China, its culture, language and people, a person who creates opportunities for increased understanding and dialogue needed between people and companies in an international environment. In Sweden, Mats Harborn transfers his knowledge and experience to the managers of tomorrow and educate people and organizations about the importance of China in the past and the future.

On behalf of the Main board, Swedish Chamber of Commerce in China
